Q4

Do you agree with the principle to lower speed limits outside schools within the district?

Yes,

Comments:

Children and their families should be safe when arriving to and from school. I have witnessed a lot of near accidents at Mayfield school that would have been further prevented from the vehicles travelling slower.

Draft Interim Speed Management Plan 2022

Q5

Do you agree with the principle to introduce speed management for urban fringe zones in the district to respond to future growth?

Yes,

Other (please specify):

I live on the fringe of Mayfield with other houses and a footpath where our children walk to school and members of the community walk next to vehicles and trucks going 100kms. It's scary and an accident waiting to happen.

Q6

Do you agree with the principle to enable speed management for developed urban areas with a high number of active users?

Yes

Q7

Do you have any other comments or feedback about this draft plan?

Great to see the council being more proactive on this issue and making it happen. Thank you.
