### Consultation Document

#### 1 Do you support the goals in the Ashburton Airport Development Plan?

- Ashburton airport is enabled to become more financially independent
- More people are attracted to Ashburton Airport for activities that support the vibrancy and viability of the facility
- Ashburton Airport is sustainably managed to support increased use of the facility over the next 30 years
- Ashburton Airport remains an appealing, thriving hub for the local community and visiting aviation enthusiasts for the next thirty years

Yes  No **Comments:**

I BELIEVE THAT IF THIS PROJECT MUST GO AHEAD.  
AS IT IS A VALUABLE ASSET TO THE WHOLE AREA.

#### 2 In 2021/22, the total budget for Ashburton Airport was \$152,023, of which almost 61% (\$92,558) was funded from rates. Which level of rates funding would you support us working towards?

- I support the current level of rates funding (60%)  I support a low level of rates funding. (10%-20%)
- I support a moderate level of rates funding. (30%-50%)  The Airport should not be rates funded at all.

#### Comments:

AS IT WOULD TAKE SEVERAL YEARS FOR THIS PLAN TO COME  
TO FRUITION I BELIEVE THAT RATE FUNDING SHOULD SLOWLY  
DECREASE
