Q4

Do you agree or disagree to add block A (as per the map in the consultation document) to the Ashburton Alcohol Ban Area?

Disagree,

Comment:

I think that this is just not important to be spending rate payers money on these issues which are not even a problem at this current time. In my opinion you are making problems that are not even there - i.e they don't exist. How about fixing the pot holes all over the community - for example Henderson Road, among multiple others. How about getting building consents completed in the allocated time? Honestly these things matter more at the moment than fixing a problem that does not exist.

Q5

Do you agree or disagree to add block B (as per the map in the consultation document) to the Ashburton Alcohol Ban Area?

Disagree,

Comment:

It is a waste of money trying to fix an issue that does not exist.

Q6

Do you agree or disagree to add block C (as per the map in the consultation document) to the Ashburton Alcohol Ban Area?

Disagree
