Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	No
Why?:	I dont need it, I have chickens who get all our food leftovers. I would prefer to not pay for a service i wont use but would like to be able to recycle more items, that would reduce landfill amounts
