Comments:  
Allowing a new flight school into Ashburton is a disaster. Listen to the feedback you have recieved. The particular flight school (from Oamaru) is going to cause serious issues for Ashburton. Take this from an actual flight instructor who has thousands of hours operating around the Canterbury Plains. Any other canterbury based flight school can tell you exactly how Oamaru operate and the dangers that brings, Ashburton will be changed for the worst if allowed to happen.

Do you have any other comments or feedback about this draft plan?

Consider wisley allowing Oamaru. I have no reason to add my information to this report as I very rarely come to Ashburton, however I have seen how Oamaru operate. It is with danger and reckless behaviour. The Christchurch Flight School actually banned their own aircraft operating their due to serious safety concerns of the airport and their operations. Do not make this happen to Ashburton.
