**THE FOLLOWING SHOULD BE READ IN CONJUNCTION WITH THE SCHEDULE OF FEES AND CHARGES.**

- All fees and charges are inclusive of GST at the rate of 15%.
- All fees and charges scheduled apply to the 2022/23 year only. Changes may be made during the year by resolution of Council or statutory requirement.
- While we have aimed to provide a complete and accurate schedule of charges, if any errors or omissions are identified, charges will be calculated by reference to the appropriate underlying authority/ resolution. Council reserves the right to vary and introduce fees and charges at its discretion.
- All fees are fixed fees, unless stated as minimum charge and charged at time and cost (T/C).
- Some fees are set by statute or other documents and cannot be amended or inflated by Council. These fees are indicated by ∅.

The following inflation rates were included in the Long Term Plan 2021-31 for our fees and charges. These have been based on the Local Government Price Index (LGPI), however recent inflationary pressure has seen us use a 5% rate of inflation in this Annual Plan.

# 1.0 Building regulation

Building fees and charges are charged under the Building Act 2004. Building infringements are determined by statute and can be found in the [Building \(Infringement Offences, Fees and Forms\) Regulations 2007](#). The Building Research Association of New Zealand (BRANZ) levy is charged under the [Building Research Levies Act 1969](#). The Ministry of Business, Innovation and Employment (MBIE) levy is charged under the [Building Levy Order 2005](#).

Additional costs incurred by Council to provide the service required, such as materials and consultants, are charged at the cost to Council plus 10% cost for administration.

(A) These fees are a **minimum** charge. When the cost to Council of providing the service exceeds this minimum charge, the Council may recover all additional costs on a time and cost basis. Time in excess of that covered by minimum fees will be charged in 15 minute increments to the nearest quarter hour. Building consent processing is charged at a fixed hourly rate, in 15 minute increments.

## 8.0 Planning and Resource Consents

Planning and resource consent fees are charged under the Resource Management Act 1991. Fees indicated by a <sup>(B)</sup> below are a **minimum** fee. Council may recover all additional costs on a time and cost basis. Additional charges will be determined on the basis of actual and reasonable costs. Time in excess of that covered by minimum fees will be charged in 30 minute increments to the nearest half hour.

Costs incurred by Council, such as travel, materials are charged at the cost to Council plus 10% cost of administration.

Costs associated with the review of compliance with the provisions of the Resource Management Act 1991, the Ashburton District Plan and the monitoring of resource consent conditions will be recovered on a time/cost basis. For the monitoring of consent conditions, any costs to be recovered will be less any monitoring fees paid at the time of application.

If the cost of receiving and processing a resource consent application is less than the prescribed fee, Council may refund the difference to the applicant <sup>(C)</sup>.

For Land Use Consents a \$70 monitoring fee will be charged. This fee is refundable where consent is not granted or the application is withdrawn <sup>(D)</sup>.

Council may create and install a new rapid plate and number on a site where it has been identified that the existing plate has been moved from its surveyed location by more than 20m. All costs associated with resurveying, creating and installing new plates will be passed on to the landowner.

# 21.0 Animal control

Animal control fees are charged under the [Dog Control Act 1996](#). Animal control infringements are determined by statute and can be found in the [Dog Control Act 1996](#).

Details of the ‘Responsible Dog Owner Status’ can be found in Section 4 of Council’s [Dog Control Policy](#).

The Dog Control Act 1996 only requires dogs classified as Menacing to be dealt with by way of muzzling and neutering. However, the Act does allow for increased registration fees to be applied to dogs classified as Dangerous, as well as the muzzling and neutering requirements.”

<sup>(H)</sup> When the cost of animal control and enforcement and related processes exceeds the stated fee (minimum charge) the Council may recover all additional costs on a time and cost basis. Note: Dogs must be registered by three months of age.
