## Draft Interim Speed Management Plan 2022

**Q4**

Do you agree with the principle to lower speed limits outside schools within the district?

**Yes,**

Comments:

I would like to propose the extension of the 30km/h proposed speed limit on Allens road around Allenton school. To the full length of Allen's toward alford forest road to incorporate the medical centre. Due to the volume of elderly and children in the vicinity. I am happy to come a talk to this if need be.

**Q5**

Do you agree with the principle to introduce speed management for urban fringe zones in the district to respond to future growth?

**Yes**

**Q6**

Do you agree with the principle to enable speed management for developed urban areas with a high number of active users?

**Yes**

**Q7**

Do you have any other comments or feedback about this draft plan?
