Draft Use of Footpaths for Alfresco Dining Policy

Consultation Document

Thank you for this opportunity. I love that our region has alfresco dining areas ~ they add an ambience + vibrancy to our region.
You can submit on any or all of the questions below. You don't have to complete every question.

1 Do you agree with our proposal to introduce tiered site requirements for different areas within the district?

Yes No Comments:

I think this is a great idea! With footpaths increasingly used for wheelchairs, mobility scooters, scooters + skateboards, I have experienced not enough clearway, so I think this requirement would be great.

2 Do you agree with our proposal to update the smoke free clauses?

3 Do you agree with our proposal to introduce a section on the ownership of structures?

Yes No **Comments:**

Providing that if structures need to be removed for footpath works, that it is done in consultation with the owner of the structure(s).

4 Do you have any other comments on the draft policy?

I think the period for review should change from seven to fourteen days. Business owners are very busy people & they may need more than seven days!

Submissions must be received by 5pm, Sunday 23 October 2022.

Please note all submissions are public documents and will be made available on Council's website with the names of submitters included. Submissions presented in the form of a petition or accompanied by multiple signatures will be processed as a single submission.
