Armadillos would comply with the new proposed draft regulations and does hold a current Licence to Occupy.

Considering the current state of the hospitality industry we suggest that Council defer this proposal for one (1) year.

During the deferment period Council could liaise with any potentially affected parties.

Please note all submissions are public documents and will be made available on Council's website with the names of submitters included. Submissions presented in the form of a petition or accompanied by multiple signatures will be processed as a single submission.
