

ASHBURTON DISTRICT COUNCIL ROAD NETWORK MAINTENANCE AND OPERATIONS NEWSLETTER

ROAD0144 | Issue 25 | February 2023

working for you
manaaki whenua, manaaki tangata

Executive Summary

Tena Koutou Katoa,

February 2023 was an extremely busy and productive month. Our delivery teams produced quality work throughout the network and achieved milestones that we have set in our 2022/23 works program, allowing our supervisory team to shift their focus to planning and preparing for drainage and unsealed works that will commence this coming autumn and winter.

Digouts on ARG are nearly completed, with the team performing a few finishing touches before moving on to Moorhouse Road and Ealing Montalto Road.

The Stab Team were able to complete all the flooding repairs on the sealed roads up in the beautiful High Country and started repairs in the Methven area.

The favourable weather allowed our cyclic teams to focus on bridge and sign maintenance, completing a few urgent CRMs and new road sign installations.

Our trading partners continued to ensure that street cleaning, vegetation control/weed spraying and maintenance is done across the network.

We are making good progress with our unsealed roads rating data survey with 75% completed to date. We've started with the 2023 bridge assessments and making good progress.

Heat stress and protection against the elements was our H&S focus point in February.

James Faber
Contract Manager – Road Maintenance.

Summary below of key achievements during February:

- 280 potholes filled
- 165 m Edge breaks repaired
- 1,931 m² Digout Repairs
- 1,994 m² Cement Stabilisation Repairs
- 448 km of routine grading completed
- 5 Culverts repaired/extended
- 12 Soakpits installed
- 28 New signs installations/replacements completed
- 107 Signs maintained/repaired

Stab Team completing sealed road repairs up Hakatere Pott Road.

Upcoming Planned Works – March 23

Overview

Our Heavy Maintenance Team will continue with digout repairs on Arundel Rakaia Gorge Road, Moorhouse Road and end the month on Ealing Montalto Road, targeting the worst sections on this road to ensure it holding through winter.

Stab team will complete repairs on Barkers Road, Cochranes Road, Milton Road South, Christys Road and Trevors Road(town).

Our Minor works team will focus on soak pits, bridge maintenance and incoming CRM's.

Cyclic teams will focus signs and hazard markers and continue to fill potholes across the network.

Culvert repair on Smithfield Rd
