**Q3** **Yes**  
Do you agree with the proposed change of making the one-way door policy applicable to the whole district?

---

**Q4**  
Please explain why:  
I believe that is is important to treat all license holders in the district equally.

---

**Q5** **Yes**  
Do you think the other provisions in the current Local Alcohol Policy are working well?

---

**Q6**  
Please explain why:  
As per our earlier submission, we believe that the current LAP is working well and support the effective 'rolling over' of the current LAP for a further next 6 years. The two suggested changes regarding the footpath hours and one way door restriction does not concern our business (being off premise), however, we do believe that was is ever decided is fair for all licence holders and meets the object of the SSAA 2012 Act.

Any other comments:

We request that if there are changes made to the current Draft LAP (other than the one way door restriction and footpath hours), that whatever is proposed (for example; Trading hours, restriction of product, discretionary conditions etc) should apply to all premises that hold an off-licence. We seek a level playing field.
