

Notes:

1. All permanent signage conflicting with the deployment to be covered.
2. A 1m lateral safety zone **MUST** be maintained at all times.
3. All cones in closure @ 2.5m spacings.
4. TMO must be deployed at all closure points.
5. Closure must be deployed after all detour signage completed.
6. STMS will monitor pedestrian activity when site is attended.
7. Rail Corridor must be clear of all signs and cones.
8. If someone need to get to medical center on Tancred St and park outside Medical Centre then they will be let into Tancred St from Cass St End.
