

Biodiversity Advisory Group

Members of the Biodiversity Advisory Group

The Biodiversity Advisory Group is a team of people from across the Ashburton District with an interest in our natural environment, working together to implement the vision of the Biodiversity Action Plan 2017-22.

Members of the Biodiversity Advisory Group were invited based on their involvement in Biodiversity Projects across the Canterbury Region and/or their ability to contribute to the implementation of the Biodiversity Action Plan 2017-22.
