

ASHBURTON DISTRICT COUNCIL ROAD NETWORK MAINTENANCE AND OPERATIONS NEWSLETTER

ROAD0144 | Issue 19 | August 2022

working for you
manaaki whenua, manaaki tangata

Executive Summary

Tena Koutou Katoa,

Challenging weather conditions continued well into August, keeping our teams on their toes in their responsive efforts to keep road users safe and communities connected.

Recovery works tracked well during the month and many damaged roads had been reinstated.

Relentless weather over the past two years and an aging network has exacerbated the potholing issues on network, with numerous failures appearing in areas where there were none. Our cyclic teams, with a little help from our sealing team, did an amazing job filling these potholes in record time and under all sorts of pressure,

James Faber
Contract Manager – Road Maintenance.

Highlight for the Month

.....

Summary below of key achievements during August:

- 1899 potholes filled
- 374 km of routine grading completed
- 735 lane-km Ice Gritting completed
- Line marking completed
- 1 Bridge inspected and maintained
- 58 Roads attended as part of response

R144 Potholes filled by month

Upcoming Planned Works – September 22

Overview

September 2022 will see access restored to all flooded areas of the network and most roads re-opened. Our focus shifts to recovery works. Our Trading Partners once more playing a key role in the recovery works.

Crushing of materials for recovery works to be completed early September and crushing of aggregate needed to complete unsealed rehabs will recommence.

Warmer weather will allow our teams focus on sealed road repairs, programmed to start end of September 2022.

Snow clearing up the High Country
